ORDER FORM

To help ensure accuracy, please use this form when ordering test material.
Additional copies of this order form may be obtained upon request.

Additional Information On the Testing Program

This order form has been prepared for the convenience of ordering test material obtainable from the School Book Branch. A brief description of each test listed in this form is given in the booklet entitled TESTING IN SCHOOLS (Revised 1966). This booklet, available on request from the Guidance Branch, Department of Education, Edmonton, also gives information with respect to norms applicable in Alberta for some of the tests listed. Schools requiring assistance in initiating a testing program should contact the Testing and Research Office, Department of Education, Edmonton, Alberta.

Specimen Sets

All tests are sold only in packages unless otherwise indicated. Persons unfamiliar with a test who wish to examine it thoroughly will find it desirable to order a specimen set. Specimen sets which are not stocked by the School Book Branch may be obtained through special order.

Special Orders

The School Book Branch will special order from the publishers any test material and test accessories which are not regularly stocked by the Branch. It is most important that an accurate and complete description be given when requesting that tests be specially ordered. By including all the necessary information you can avoid delay occasioned by our having to write back for clarification on incomplete orders. Please allow about three to four weeks for delivery of special order items.
